

Entrepreneurial Advertising: The Future Of Marketing

We woke reasonably late following the feast and free flowing wine the night before. After gathering ourselves and our packs, we headed down to our homestay family's small dining room for breakfast

Refreshingly, what was expected of her was the same thing that was expected of Lara Stone: to take a beautiful picture

We were making our way to the Rila Mountains, where we were visiting the Rila Monastery where we enjoyed scrambled eggs, toast, mekitsi, local jam and peppermint tea

Adderall and flirting with bulimia in an attempt to whittle herself

We wandered the site with busloads of other tourists, yet strangely the place did not seem crowded. I'm not sure if it was the sheer size of the place, or whether the masses congregated in one area and didn't venture far from the main church, but I didn't feel overwhelmed by tourists in the .monastery

City Guide for Vienna

Headed over Lions Bridge and made our way to the Sofia Synagogue, then sheltered in the Central Market Hall until the .recurrent (but short-lived) mid-afternoon rain passed

Feeling refreshed after an espresso, we walked a short distance to the small but welcoming Banya Bashi Mosque, then .descended into the ancient Serdica complex

We were exhausted after a long day of travel, so we headed .back to the hotel and crashed

I had low expectations about Sofia as a city, but after the walking tour I absolutely loved the place. This was an easy city to navigate, and it was a beautiful city – despite its

ugly, staunch and stolid communist-built surrounds. Sofia has a very average facade as you enter the city, but once you lose yourself in the old town area, everything changes

IF YOU HAVE IT, YOU CAN MAKE ANYTHING LOOK GOOD

Clothes can transform your mood and confidence. Fashion moves so quickly that, unless you have a strong point of view, you can lose integrity. I like to be real. I don't like things to be staged or fussy. I think I'd go mad if I didn't have a place to escape to. You have to stay true to your heritage, that's what your brand is about
